**DATE:**              **August 20, 2018**

---

*This Addendum forms part of the Contract Documents and Drawings for the above noted project. Bidders shall acknowledge receipt of this addendum on the Tender Form; failure to do so shall subject the bidder to disqualification.*

The following architectural clarifications have been added to the Tender Documents.

The attached Architectural Elevation and Cross-Section Drawings A8, A9, A10, A11 & A12 have been re-issued and annotated to clarify the geodetic datum elevations and heights between floor to floor & top of second floor wall plate to top of roof.
